October 2025

President's Message

We had a wonderful September meeting. James Steward gave an excellent presentation about the new Princeton University Art Museum, opening on October 31. It looks beautiful and will be a wonderful addition to the

Princeton campus. I know Connie Loukatos looks forward to planning a trip to the museum in the Spring. I have been told that the museum is going to be very crowded when it first opens.

Thank you to all of our members who have sent in their dues promptly. We have close to 100 members already with five new members signing up at our first meeting. We are hoping to have the new directories available for the October meeting. If we can't meet that deadline, you will receive one in November.

At our meeting, we honored Doris Tazelaar on her 99th birthday. Congratulations Doris!!

Looking forward, we have some great programs scheduled and also some small group activities. As members, you are welcome to come to any or all of the events that we have.

See you in October for our general meeting and small group events.

Bonnie Larson
